Tegan Lighting partners with innovative international company!

BUZZISHADE: M, L, XL, & XXL

The BUZZISHADE is the culmination of an artistic collaboration between BUZZISPACE and the four young Belgian furniture designers of Stal Collectief.

"THINK GLOBAL, ACT GLOBAL... ...BUZZISPACE is an internationally oriented company active on every continent."

THE BELGIAN COMPANY BUZZISPACE WAS ESTABLISHED IN 2007

The new brand's designs became a worldwide hit almost immediately, as they responded to the global need to bring silence and style to the office. BUZZISPACE designs can be used in changing environments worldwide: our offices, houses and other collaborative spaces are becoming increasingly compact and we are opting more frequently for open-plan spaces.

MAKING DAY-TO-DAY LIFE BETTER IN EVERY WAY

The brand combines aesthetics and noise reduction, thanks to the sound-absorbing eco-felt used in the designs, making day-to-day life better in every way. BUZZISPACE has branches worldwide with showrooms in Chicago, Atlanta, Sydney, London and Rotterdam, and, of course, its HQ in Antwerp, Belgium. BUZZISPACE recently opened a production unit in High Point, North Carolina in the USA.

BUZZIJET

The BUZZIJET is designed by BUZZISPACE with happy, healthy workspaces in mind. The aerodynamic design offers sound-absorbing capabilities, delivering acoustic comfort paired with our Kore pendant.

BUZZIPLEAT

The BUZZIPLEAT is a collaboration between BUZZISPACE and 13&9 Design, an Austrian design firm founded in 2013 in Grasz, based on the partnership between architect and CEO of INNOCAD Architecture, Martin Lesjak (Contractor Magazine's Designer of the Year) and designer Anastasia Su.
